## Our Mission

The Marshfield Area Human Resource Association's purpose is to provide a network for businesses and industry professionals to share human resource and other information of mutual concern.

## What Can MAHRA

### Do For You?

The Spousal Referral Program Recruitment Advantage

When recruiting someone to our community, we will forward the resume of their significant other to our Human Resource Group members, assisting them in finding quality employment in the Marshfield area.

## Networking

Meet others in similar roles within our community, and utilize their knowledge as a resource, while keeping abreast of the latest Human Resources trends.
