YPWeek 2017 Launches

ypWeek

Marshfield Young Professionals and NEWaukee are proud to announce the expansion of YPWeek Wisconsin to include 25 communities in 2017. The grassroots statewide program will run April 22 to 29, 2017 with each community presenting a variety of programs that empower young professionals to take ownership and pride in their home towns.

YPWeek Wisconsin is modeled after a program started by NEWaukee in 2012 to provide a week long series of events focusing on discovery, adventure and meaningful conversations about the issues that matter to young professionals in the Milwaukee area. YPWeek Wisconsin has continued to reach across the state with the support of the Wisconsin Economic Development Corporation (WEDC) since 2015, and its participants have collaborated with the agency on a communication strategy designed to retain, excite and grow the state's talent pool. YPWeek will incorporate that strategy into its programming, leveraging "THINK-MAKE-HAPPEN," the initiative's guiding brand statement, as an organizing theme.

Last year, MYP held three events throughout YPWeek: a YP/Millennial Discussion on City Planning in Marshfield, a fun night of Trivia & Tunes, and the group also volunteered at a St. Vincent de Paul fellowship meal to complete the week.

Check Out Our Holiday Spirit!

For the 2016 holiday season, Marshfield Young Professionals once again donated their time and talent to families in our community by offering to wrap Christmas gifts for freewill donation.

The event was held December 10th and we raised about \$215 with the help of approximately 30 volunteers (throughout the day and to organize the event). Donations will go to benefit ODC.

Ugly Sweater Exchange

Later that night, members headed to Nutz Deep II for the annual Holiday Party. The evening included food and drinks sponsored by Marshfield Young Professionals as well as an “Ugly Sweater Exchange.”

Thanks to everyone for coming out and having a good time on MYP. We can't wait to do it again next year!

Get to Know: *Josh Miller*

1. How long have you lived in Marshfield?

I've lived in Marshfield a total of 28 years, moved back a little over 7 years ago.

2. Where do you work?

I work for the City of Marshfield as the City Planner. Updating and implementing long range plans like the comprehensive plan is my primary responsibility.

3. What's your favorite thing about Marshfield?

The people. There are so many generous and kind people in this community and I'm grateful that I have the opportunity through work and through MYP to get to know them and in some cases, work with them on projects to improve the community.

4. What is one of your favorite memories about MYP?

Seeing MYP develop into the group it is today. It's been a phenomenal evolution. There were about 10-15 people in the group when I joined and there wasn't a lot of organization. At that time MYP was probably viewed as just a social drinking group. There now about 80 members, we have a board with bylaws, and there is much more to the group than just socializing and drinking.

5. What do you like to do for fun?

Tailgating Packer games is my favorite thing to do for fun. There really isn't even a close second.

6. The days are cold and we are spending more time in side, do you have a Netflix recommendation?

There are so many good shows out there, but one show that I really liked that I haven't heard to many people talk about is Flaked with Will Arnett. It's hard to explain the premise, and I don't think it's for everyone. There's definitely some plot twists and surprises in the show and going through winter doldrums, it's nice to watch a show set in sunny Venice Beach. Also the accompanying music is really good.

Seeking Nominations

The Bubbler Awards shines a light on the companies who have made great strides to accommodate the interests of a shifting workforce. These awards showcase how many Wisconsin-based companies are adjusting and creating environments that allow young professionals to call this state home.

The nomination and selection process establish a framework for existing and emerging young professionals throughout the state to collaborate and brand Wisconsin as a workplace destination for Millennials. The evaluation centers on what Millennials are looking for in today's workplace including: competitive salary and benefits, opportunity for advancement, work-life balance, and employee and community engagement.

The application will close on February 28th, 2017 and the Bubbler Awards winners will be announced on March 6th, 2017.
