Pitch Event Coming to Marshfield

HATCH is a pitch competition for new business ideas. Who gets to pitch their ideas? Anyone with a good idea for a new business!

The rules are simple. We don't restrict the type of idea you can submit, but it's important to remember this is about moving an idea forward. At HATCH presenters have five minutes to pitch in front of judges and a live audience

for the chance to win a \$2,000 award and be selected as a semi finalist for the final HATCH. The audience has a chance to evaluate and vote for their favorite idea alongside the judges.

Beyond the prize money, this is your chance to get the business idea that has been rattling around in your head, out in front of a supportive community.

HATCH events are fun, highly social and inspirational.

The fun doesn't stop there. Ideas that win at each of the four HATCH events will have the opportunity to pitch again at the final HATCH event to potentially win a \$10,000 award. There will also be one wildcard pitch.

MYP is helping coordinate event logistics for the Marshfield event; food vendors, location, entertainment, small business resources, selecting jury members, etc. We are also promoting for submissions and attendance for all pitch events.

Future HATCH Events:

May 24: Wisconsin Rapids

June 21: Wausau

July 19: Marshfield

November: Finale (TBD)

Friday Fish Fry Crawl

Looking for something fun to do on Friday nights? Join us for a Wisconsin Friday Fish Fry! We've put together a weekly schedule over the next seven weeks for MYP members and nonmembers to meet up, have a local fish fry (eating fish is not required), and socialize.

Events are posted in the MYP Facebook group. Please RSVP so we can notify the restaurants if we have a larger group. For some of the locations out of town, we can try to arrange a spot to meet if people are interested in carpooling.

RSVP by doing any one of the following: selecting "Going" on the Facebook event ("**Interested**" doesn't count as an **RSVP**), emailing shuamiller@gmail.com, or sending a text to 715-529-4778.

Get to Know: *Jeanna Diedrich*

1. How long have you lived in Marshfield?

I moved to Marshfield in July of 2016 for work. My boyfriend, Tommy, had been working over here since February of 2016 while I worked in Stevens Point.

2. What's your favorite thing about Marshfield?

I play a lot of pool, and before we even moved here, we were told there's a very large amount of good poolplayers around the area. Once we lived here, that proved to be true. There's always somewhere to shoot and someone willing to play.

3. What are you most looking forward to this spring?

The MYP cardio Crawl, UWSP Trivia, being able to run outside again, not allergies...

4. What do you like to do in your space time?

I am an avid poolplayer and I really like to quilt. I made my very first quilt when I was 11 and have made probably 1 a year since then. I also shoot a lot of pool. 2017 has been a very good year for me with winning 2 state titles along with placing first in multiple scotch doubles tournaments with Tommy as my partner.

5. What made you decide to join MYP?

I joined MYP at the end of 2016. I was involved in a Young Professionals group in Stevens Point called Ignite and love it. It's a great way to meet people and learn about the things going on in the community.

6. What is one piece of advice for someone moving to Marshfield?

Learn what you like, and find other who like it too. I like people, and I love playing pool, so I joined MYP to meet people, and shot tournaments to play pool and meet people.
