It was a "special" social!

Written by: Jes Mannigel

On March 19th the Marshfield Curling Club hosted a "special" social on behalf of the Marshfield Young Professionals. The curling club provided free pizza and beverages to everyone that attended. They also gave lessons on how to curl for those who were interested and brave enough to give it a try. About twenty MYP members attended.

Thanks again to the Marshfield Curling Club for your hospitality!

Interested in a summer sport?

The Social Committee is looking for members interested in playing coed volleyball and/or coed softball this summer. League details will be announced at a later date. Contact Josh Miller (shuamiller@gmail.com) to sign up.

Support for a four-legged cause

Written by: Melissa Easker

On a frigid February Sunday, the Knights of Columbus Hall was anything but cold and empty. More than 900 patrons filled the space to enjoy a hot breakfast served by volunteers for the Marshfield Area Pet Shelter.

A few of the servers also happen to be members of YP. John Kaprelian, Breanna Speth and Marissa Zane helped sell raffle tickets and serve plates of pancakes, eggs and cinnamon rolls to the record-breaking crowd. Several other members also braved the cold to support the furry legged friends. The event raised more than \$9,000 this year. Way to go! The shelter's next event will be the Paws for Brittany Dog Walk/Fun Run on May 9. Talk to John or Marissa for details.

Pictured Right: John Kaprelian smiles for the camera, ready to help sell raffle tickets.

Fun d' Arts

Written by: Jes Mannigel

On February 7th almost 100 community members dressed in their best 1930's attire to support Fun 'd Arts, an annual fundraiser for the New Visions Gallery. Among them were several MYP members (Pictured left: Dan Hiller, Laura Hiller, Josh Miller, Liz Vickers, Jenny King, and Jes Mannigel)

New Visions netted around \$58,000 which will pay salaries, provide educational services and dozens of exhibits in 2015. MYP also provided a donation of \$150 to support the cause.

Get to Know: *Melissa Easker*

Written by: Laura Hiller

1. How long have you lived in Marshfield? Just over 2 years

2. What do you like best about living in Marshfield? While it is a small town, it is a community that seems to care about it's future and there are many personal (music, food, culture) and professional (networking, workshops, philanthropic) opportunities.

3. Where do you work? Marshfield Clinic

4. What made you decide to join MYP and how long have you been involved? I moved here right from college and don't work directly with people my own age and was concerned about finding friends who were my peers. A roommate suggested I see if there was a Young Professionals group in my town, I discovered the Facebook group and started going to events and reaching out to members to do activities around town, the flow into the group was very natural. I became involved pretty quickly after moving here, less than a month.

5. What are you looking forward to this summer? Being able to bike around town and get ice cream from Hub City

6. Where did you grow up? Merrill, WI

7. Favorite Sports Team? Green Bay Packers

8. Do you have any Vacation Plans this year? My husband and I are going to California in May. Pretty excited to visit the wine country and San Francisco.

9. What is one of your best memories of MYP? The first Christmas I helped buy gifts with the money MYP raised for the Angel Tree program to support a pediatric patient at the clinic. The couple girls I went with had a great time buying stuff at Target and it was awesome to see all the great things we could give to the family. It was a fun mix of shopping and volunteering.

10. What are some of your hobbies? I like biking and running, in general being active and I am happy when I have a project I am working on. I enjoy cooking as well.

mYPs *in the News*

Congratulations to **Rachel Krentz** for her Crystal Apple Award nomination! The Crystal Apple Awards program aims to improve community awareness of the quality of education in Central Wisconsin, by recognizing and rewarding educators who use innovative teaching methods that meet the challenges of today's classroom.

Congrats to **Katie Kindschy** for being one of only 240 PAs nationally to earn a special credential from the National Commission on Certification of Physician Assistants. Her Certificate in Added Qualifications is in Cardiovascular & Thoracic Surgery.

Jenny King was recognized for her volunteer work with Pathway Partners in an article published in the Hub City Times. Pathway Partners is a mentoring program that establishes important relationships for high school students. Nice work Jenny!

Lastly, congratulations to the following MYP members who completed Leadership Marshfield 2014-15; Darrin Braun, Angie Dieringer, Leah Draxler, Justin Schmitz, Amber Voelker, and Heather Young.
